

**PETITION TO:
IMPEACH
GEORGE P. TIGER
MUSCOGEE (CREEK) NATION PRINCIPAL CHIEF**

I know the statements below are true.

1. George Tiger, in 2009 signed a contract with Mr. Shane Rolls, a casino developer, to receive 5% of gaming revenue from a casino within Muscogee (Creek) Nation boundaries, and to be a part owner of this Kialegee Tribal Town casino in Broken Arrow, OK.
2. The Muscogee (Creek) Nation National Council voted unanimously 12-0 in March of 2015 requesting George Tiger's resignation as Principal Chief.
3. George Tiger received a letter from the Muscogee (Creek) Nation National Council asking for his resignation as Principal Chief due to the contract against the Muscogee (Creek) Nation.
4. George Tiger took payments from Shane Rolls for consulting with Giles and Kialegee Tribal Town. (Giles and a sister are owners of the land needed by Kialegee for casino.) This is **BRIBERY**.
5. George Tiger supported Kialegee Tribal Town to compete with Muscogee (Creek) Nation in a casino operation in Muscogee (Creek) Nation's boundaries. I believe this to be **TREASON**.
6. George Tiger was involved in **EMBEZZLEMENT** of over \$33,000 from the Okmulgee Indian Community.
7. George Tiger has never held steady employment outside tribal areas.
8. George Tiger, in my opinion, has committed TREASON for having a secret contract to include himself as part owner of a casino to be owned by a family within the Muscogee (Creek) Nation's boundaries, against his own tribe's best interests.
9. George Tiger had a 'Breach of Contract' by Johnna Townsend filed on him 8/19/2013 which shows a lack of professional actions. This was due to a violation of the **VIOLENCE AGAINST WOMEN ACT of 2013**.
10. George Tiger accepted Christmas money, while a Muscogee (Creek) Nation National Council Representative, in the amount of \$299.99 (Ck. #5274) from the Bristow Indian Community. This is illegal for an elected official. If a check is written at \$300.00 or over, it must be approved by a vote of the community.
11. George Tiger interfered with the actions of a Manager on Duty when his stepdaughter and son-in-law were having an altercation with patrons at RiverSpirit casino.
12. George Tiger refuses to prosecute known criminal activities within his authority which is common knowledge of many employees, of **SEXUAL HARRASSMENT** and **COMPUTER KIDDY PORN**.
13. George Tiger has shown propensity for nepotism in hiring, and in termination of other employees.
